STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
THE APPLICATION FOR A LICENSE OF

KEVIN A. WEIDMAN, M.D.,

Applicant

ORDER DENYING PETITION

On January 8, 1993, Dr. Kevin A. Weidman filed his application for a license to practice medicine and surgery in the State of Wisconsin. Dr. Weidman indicated on his application that disciplinary action had been taken against his license in the States of Minnesota and North Dakota, and information provided established that his licenses in both those states were suspended. The board considered the application at its meeting of April 28, 1993, and denied the application by its order dated May 7, 1994. In denying the application, the board commented in its Order as follows:

At such time that North Dakota, which is apparently Dr. Weidman's state of original licensure, and Minnesota determine that it is safe to reinstate Dr. Weidman licenses in those states, the board will be happy to further consider his application in this state. Until Dr. Weidman is able to establish his satisfactory rehabilitative status to the boards in the states where he is currently licensed, however, it would be inappropriate for this board to grant a new license in Wisconsin.

Having submitted evidence satisfying the conditions set forth in the board's previous Order, Dr. Weidman petitioned the board to reconsider his application. The board considered the petition at its meeting of September 22, 1994. The board and Dr. Weidman thereafter entered into a Stipulation by which the board agreed to grant, and Dr. Weidman agreed to accept, a limited license to practice medicine and surgery in the State of Wisconsin. The board thereafter filed its order granting the limited license.

Pursuant to the board's order, Dr. Weidman appeared before the board at its meeting of March 23, 1995. At that time, Dr. Weidman petitioned for a reduction in the number of required urine screens from weekly to twice-monthly and to permit him to apply for and hold a DEA registration number. The board considered the matter on that date.

Based upon the petition and all other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the petition of Kevin A. Weidman, M.D., for modification to the limitations on his license be, and hereby is, denied.

IT IS FURTHER ORDERED that Dr. Weidman shall appear before the board for interview at the board's June, 1995, meeting.

DISCUSSION

It has been less than four months since Dr. Weidman was granted a limited license in Wisconsin. That is far too short a period of licensure to consider modification of two of the more important rehabilitative safeguards set forth in the board's order.

Dated this 29th day of March, 1995.
